PRIMITIVE

GIANT® Primitive is precious Oak wood handcrafted with innovative processing systems which add new tactile and visual perceptions to the primal charm of this wood-species. GIANT® Primitive leaves unaltered the peculiar signs of the wooden matter (open knots

and cracks, deliberately left unfilled), and is enriched by peculiar color tones, both naturally obtained through endogenous processes, which together with the planing rigorously hand-made and the oil finish, make the product really unique and prestigious.

GIANT® Primitive è prezioso legno di Rovere lavorato artigianalmente con sistemi innovativi, che aggiungono al fascino originario della specie nuove sensazioni tattili e visive. GIANT® Primitive lascia inalterati i tratti distintivi della materia lignea (nodi e fenditure aperti,

senza stucco), e si arricchisce di particolari colorazioni attraverso processi endogeni che, in aggiunta alla piallatura attuata rigorosamente a mano e alla finitura con olio naturale, rendono il prodotto unico e prestigioso.

Primitive Grey

European Oak Origin selection with natural grey tone and oil finish

Primitive Grigio

Rovere Europeo selezione Origine colorazione naturale grigia e finitura a olio

THICKNESS / SPESSORE
20 mm

WIDTHS / LARGHEZZE
146 - 186 mm

LENGTHS / LUNGHEZZE
500 - 2000+ mm

Primitive Brown

European Oak Origin selection with natural brown tone and oil finish

Primitive Marrone

Rovere Europeo selezione Origine colorazione naturale marrone e finitura a olio

THICKNESS / SPESSORE
20 mm

WIDTHS / LARGHEZZE
146 - 186 mm

LENGTHS / LUNGHEZZE
500 - 2000+ mm

Primitive Brown
Primitive Marrone
